SawnBack Armourstone &

Our gorgeous SawnBack Armourstone comes palletized for easy access into any job site. We feature this product in our beautiful natural stone colours. The stone is available in 8" up to 18" heights and has the standard 3' to 5' length, keeping the face foot coverage the same. The depth is cut to 12" to 18" on average to give you a shallower bed depth, saving you on installation time.
